Financial Support

Protecting What Matters Most

Section 1 – What Health Insurance in Austria Covers

- Doctor visits and specialist consultations
- Hospital treatment and emergency medical care
- Prescription medicines and medical therapies
- Preventive check-ups and health screenings
- Dental treatment and rehabilitation services

Section 2 – Who This Is For

- Employees and self-employed professionals living in Austria
- Families and dependents covered through social insurance
- Students and expats residing in Austria
- Individuals seeking additional private medical coverage

Section 3 – Key Benefits

- ✓ Access to Austria's high-quality healthcare system
- ✓ Financial protection from unexpected medical expenses
- ✓ Comprehensive coverage for individuals and families

Section 4 – How It Works (Simple Steps)

1. Register with Austrian social insurance (ÖGK or relevant provider)
2. Receive your e-card for healthcare access
3. Visit doctors or hospitals covered by your insurance
